Welcome to Sigma International School — A Home for Future Leaders

At Sigma International School, we believe that every child deserves a learning environment where they can grow fearlessly, think boldly, and live meaningfully.

Rooted in the academic legacy of Sigma University and strengthened by the school management expertise of Bellwether International, we bring together the best of both worlds — higher-education excellence and future-ready K–12 innovation.

Our campus offers a serene, nurturing, and inspiring residential environment where children learn, live, lead, and become their best selves.

Welcome to a school where education becomes a life journey, not just a classroom experience.

Our Legacy

The Power Behind Sigma International School Sigma University — A Legacy of Academic Excellence

For decades, Sigma University has shaped engineers, innovators, healthcare professionals, and leaders across Gujarat and India.

Their unwavering focus on quality, discipline, values, and purpose-driven education forms the foundation of Sigma International School.

Bellwether International Schools — Managed with Expertise

Bellwether brings expertise from Mumbai and across India in designing and leading schools that are:

- Child-centered
- Value-driven
- Academically strong
- Leadership-focused
- Future-ready

Together, Sigma + Bellwether create a school ecosystem that is intellectually rigorous, emotionally nurturing, spiritually centered, and socially enriching.

Our Vision

Raising Students Who Are Complete in Every Dimension

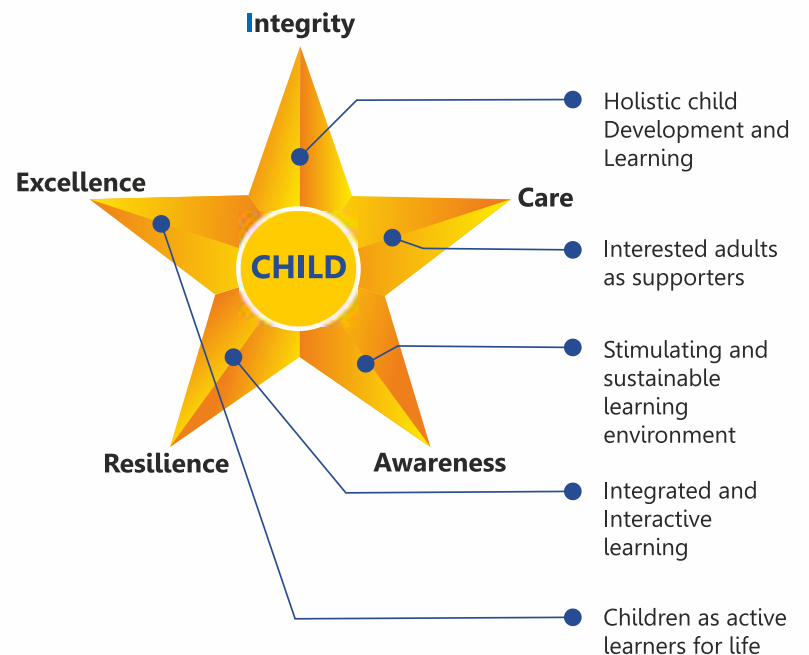

Sigma International School nurtures the whole child across:

- **IQ — Intelligence Quotient**
Academic strength, reasoning, and critical thinking.
- **EQ — Emotional Quotient**
Self-awareness, resilience, empathy, and regulation.
- **SQ — Social Quotient**
Communication, relationships, collaboration, leadership.

Our vision is to help students grow with:

- ✓ Purpose
- ✓ Confidence
- ✓ Integrity
- ✓ Curiosity
- ✓ Compassion

A child who grows in all three dimensions becomes ready for life, not just exams.

A Residential School Like No Other

A Home Away From Home

Our residential environment is designed to give children:

- Comfort & warmth
- Independence & discipline
- Safety & security
- Community & belonging
- Joy & personal growth

Students live in beautifully designed residential blocks guided by trained house-parents who ensure structure, care, emotional support, and wholesome routines.

**At Sigma, living together becomes
a powerful teacher of responsibility,
teamwork, courage, and character.**

Academics

Strong, Thoughtful, and Future-Ready Learning

Following the CBSE curriculum, Sigma International emphasizes:

- Deep conceptual clarity
- English language development
- Strong foundational literacy & numeracy
- Inquiry-based learning
- Practical knowledge & application
- Technology-enabled learning
- Assessments that measure thinking, not memorization

Our academic systems are guided by Bellwether's school leadership framework to ensure consistency, quality, and excellence.

Life Skills Program

Learning Beyond Books

Sigma International offers a rich Life Skills Program, preparing students for success beyond school.

Students learn:

Financial Literacy

Saving, budgeting, value of money, beginner entrepreneurship.

Digital Literacy

Safe online behavior, digital tools, cyber ethics, media awareness.

Global Literacy

Global issues, cultural understanding, SDGs, sustainability.

Civic Literacy

Citizenship, rights, responsibilities, environmental stewardship.

Health & Emotional Literacy

Mental well-being, resilience, nutrition, fitness, mindfulness.

STEAM Projects

Hands-on innovation combining Science, Technology, Engineering, Arts & Math.

From critical thinking to compassion, the Life Skills curriculum prepares students for the real world.

Stride Sports Program

STRIDE — Sports, Training, Resilience, Integrity, Discipline & Excellence

Our residential program integrates a structured sports curriculum called STRIDE, which builds:

- Physical fitness
- Mental toughness
- Discipline
- Leadership
- Team spirit

Students participate in:

- Multi-sport training
- Fitness routines
- Yoga & mindfulness
- Athletics & team games
- Inter-house tournaments

STRIDE ensures that physical strength and emotional resilience work hand-in-hand.

Co-curricular & Cultural Life

A School Rich with Experiences

Students explore:

- Music & dance
- Visual arts
- Debate & public speaking
- Coding & robotics
- Theatre & expression
- Community outreach
- 21st century clubs & passion projects

Every activity builds confidence, communication, and creativity.

Campus & Facilities

A Serene & Secure Campus Designed for Holistic Growth

The Sigma campus offers:

- Modern classrooms
- Labs & learning studios
- Residential hostels
- Sports fields & courts
- Library & reading lounges
- Arts & cultural spaces
- Medical room
- 24/7 security
- Nature-rich surroundings

A place where safety meets serenity, and learning meets inspiration.

A Day In The Life

Balanced. Structured. Purposeful.

A typical day includes:

- Morning fitness
- Academic learning
- Co-curricular activities
- Hobby clubs
- Evening supervised study
- Community bonding
- Night routines & reflection time

A rhythm that creates strong habits and balanced growth.
